In 1960 God planted me in the middle of a Bible College in Tennessee as a new 18-year-old bride where I was confronted for the first time in my life with Jesus Christ and was to later become a pastor's wife. My husband Bob and I were married 36 years before the Lord called him home in 1996. God blessed us with 3 children – two pastor sons; a daughter who is active in ministry in her local congregation; and five grandsons and one granddaughter. The journey with Him through the dark valleys as well as the mountaintop highs has been incredible and has reinforced over and over His faithfulness to me. God has allowed me the privilege of speaking for Him throughout the years to women of all ages and my greatest joy is to share my own journey with them in hopes they too will experience the glorious riches of our Savior Jesus Christ. I am still a work in progress but I "press on to take hold of that for which Christ Jesus took hold of me." (Philippians 3:12b)
