The concept of American Baptist Women assisting students who were pursuing education toward a Christian Ministry began in 1934. The fund at that time was to help students who were studying at the Baptist Missionary Training School in Chicago. That school for women closed in 1961.

The American Baptist Women of Great Rivers Region continued the scholarship for men or women who want to pursue their education.

Successful scholarship students who have graduated recently include

Nancy Hubbs—Judson College

Jami Dyke—Judson College

Stephanie Johanpeter -
Central Baptist Seminary

The process of applying for aid will vary depending on the school to which you are applying. Most schools will ask for two recommendations, your family's financial status and your Christian testimony.

Completing the initial application found in this brochure and sending it to the region Associate for Student Aid will begin the process.

You will receive a reply shortly after sending it. That reply will guide you in the next steps of application

Deadline for final application is
