Camping 2019

Camping season for 2019 is coming soon. It is time to register for camp. Blackhawk and Lake Springfield Baptist camps offer opportunities for all ages.

Lake Springfield Baptist Camp & Conference Center (www.lsbconline.com)

is a year-round facility on the shore of Lake Springfield in Springfield, IL. The managers for Lake Springfield Camp are John and Kelsey Parrish. Several new camps are planned for this year. Descriptions of the camps and registration forms can be found on the camp's website.

Blackhawk Baptist Camp is a

wooded camp in northern Illinois near White Plains State Park and Oregon, IL. Bruce and Bobbie Rose are the managers of Blackhawk Camp.

Camping is a wonderful experience. Fun camping experiences AND life changing spiritual experiences give campers and staff opportunities to grow closer to the Lord.

A Word From Paul Gibson
 ABCGRR
 Executive Minister

Did I see you at the Resource Leadership Conference? I sure hope so. It was fantastic. Special thanks to Judson University and Northern Seminary for teaming up with us to put this event together.

CHANGES—They are not always easy to deal with. Many churches and organizations are faced with a downturn in giving, for many reasons, and sometimes that means you must make changes and cuts. Our Region's main sources of funding come from United Missions (UM) giving and the America For Christ (AFC) offering. Every year for the past 10 years, giving to UM and AFC has declined. This has forced our Board to make some very difficult decisions.

The decision was made to let go of one Regional Associate Minister and one of our full-time office staff. Our Regional Board made that decision at their last meeting on May 6. It was a difficult decision, but I believe it was the right response to the downturn in giving. Regional Associate Minister, Rex Rogers, will be relocating this summer and his position will not be filled due to cutbacks. Also, Debbie Naugle, one of our full-time office staff, will be leaving the GRR office due to cutbacks. We are currently working on a way to honor both Debbie and Rex for their service to our Region and will give you more information regarding that in our next newsletter.

We have been spending more than has been coming in, but in these days of good returns on our investments, we had hoped that giving might pick up. Unfortunately, that hasn't happened. Churches are having to make hard decisions about paying staff, providing medical coverage, deciding if they might have to go from full-time staff to part-time, or even having to deal with the real possibility of closing the church. We understand your struggles and are praying with you and for you. We also know that things might even get worse before they get better.

So, what is the good news in all of this? There is always good news, but sometimes we cannot see it right away. **Our job is to stay rightly related to God and find our joy there, and then out of us will flow rivers of living water. We will continue to be a vessel that God can pour His love through.** Right now, we are laying everything before God and waiting on Him. He is moving, I'm just not sure what He is saying. It is so hard to wait when things aren't going the way you want them to go, or the way you hoped they would go. I trust that soon we will be able to say, "You see, God had a plan all along". Let It Flow!
